A Passion for Perfection

ATA EXECUTIVE DIRECTORS WELCOME

Welcome to the 2019 AIM Grand National Youth Trapshooting Championships! We're glad you're here and will do our best to make this event a fond memory or yours for years to come. Thanks to the participants for your dedication to your sport, and to the coaches and parents for your dedication of time and resources to instill this lifetime sport into the lives of our youth members.

The 2018 AIM Championship was a tremendous success. There were double digit increases in all events, including a 47% increase in the sporting clays event and a 38% increase in the skeet event. Across the all events the 2018 event was up by 17%. In response to this, an additional class has been added to the Singles and Doubles events, and for the first time ever, All-American Points will be awarded in the three trap events and high all around. The All-American competition factor for the AIM Championship events is expected to be a "7".

Nationwide, the AIM program continues to grow with more and more competitive opportunities and a scholarship list that keeps growing. None of this would be happening without the management and guidance of AIM team members Emily Zollner and Jamie Jeffers. When you see them at the tournament be sure to thank them for their efforts to build and sustain this great youth program.

If you have attended the AIM Championships or the Grand American in the past welcome back and thank you for your continued support. If this is your first trip to Sparta, I guarantee that you will never forget it.

Shoot well and enjoy the events and activities.

Lynn Gipson

AIM CHAMPIONSHIP RULES

CATEGORIES (Based on Renewing Members):

Category	Age
Pre-Sub	Age 11 and Under
Sub-Junior	Age 12-14
Junior	Age 15-17
Junior Gold	Age 18-22

TARGET YEAR: September 1st, 2018 – August 31st, 2019

New Members - Age category is based on your age the day you join the ATA. **Renewing Members** - Age category is based on your age as of 9-1-2018. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. Example: A shooter reaching age 18 may elect to continue to shoot as a Junior for the remainder of the current target year. However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category.

SINGLES Classes within each category will be used for the AIM Grand Singles Championship. In the current target year, the target requirement to avoid **minimum** Class B for any age category will be 400 Singles targets prior to the AIM Grand Championship. Singles classes for each age category are as follows:

CLASS	PRE-SUB	SUB-JUNIOR	JUNIOR	JUNIOR GOLD
AAA	N/A	92% - 100%	95% - 100%	N/A
AA	N/A	88.5% - 91.99%	92.5% - 94.99%	N/A
A	82% - 100%	84.5% - 88.49%	90% - 92.49%	96% - 100%
B	72% - 81.99%	80.5% - 84.49%	87% - 89.99%	93% - 95.99%
C	61% - 71.99%	72.5% - 80.49%	82% - 86.99%	89% - 92.99%
D	Under 61%	Under 72.5%	Under 82%	Under 89%

DOUBLES Classification will be used at the AIM Grand Individual Doubles Championship. In the current target year, the target requirement to avoid **minimum** Class B for any age category will be 200 Doubles targets prior to the event. The following classes will be used for all age categories:

Class A 85.5% - 100% **Class B** 78% - 85.49% **Class C** 69% - 77.99% **Class D** Under 69%

HANDICAP PENALTY YARDAGE - NEW THIS YEAR!

Handicap classification will be used for the AIM Grand National Individual Handicap Championship. The target requirement to avoid 21 yard line minimum penalty yardage for any category will be **300 ATA Registered Handicap targets** in the current target year. **IT IS THE SHOOTER'S RESPONSIBILITY TO VERIFY THEIR CORRECT YARDAGE PRIOR TO SHOOTING, OR THEIR SCORE COULD BE DISQUALIFIED.**

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. If you haven't been classified, or if you need to verify classes, please go to Classification. Up to date average cards can be brought to Classification to review averages and yardages.

FAILURE TO SHOOT FROM THE CORRECT HANDICAP YARDAGE WILL RESULT IN SCORE DISQUALIFICATION.

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament even if it was just prior to the AIM Grand Championships, and not yet entered into official ATA records. Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

SQUAD CATEGORY Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the squad will be competing in the Junior category) Moving up in age group is for Team/Squad purposes only and does not affect a shooters individual category with AIM.

For Singles, squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule for this discipline. For Skeet and Sporting Clays, four (4) person squads will be considered a team for trophy determination. Shooters will compete in the order they've signed up, unless changes are made by the coach. For these events only, all squad members do not have to compete on the same field, at the same time, to be eligible for team trophies.

SQUAD/TEAM CLASS Using the individual classification table found above, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	77%
Sub Junior	B	88%
Junior & Jr Gold	B	94%

AIM ALL-AMERICAN POINTS

ATA All American points will be awarded this year to Sub-Jr, Junior and Junior Gold ATA categories on the AIM trap events and High All Around. AIM Pre-Sub and AIM Sub Junior shooters will be considered together to determine the ATA Sub Junior Champion point winner and remaining All American points in that category. Category determination for the AIM Championship must mirror ATA rules (category is determined by birth date rather than beginning of target year category). There is no guaranteed AA competition factor for the AIM Championship, however a factor of “7” is expected to be obtained.

Shooters are encouraged to review the ATA All American rules in Appendix II of the Official ATA Rules.

FIREARMS AND AMMUNITION

FIREARMS TRANSFERS AND AMMUNITION SALES: Illinois Public Act 99-0029 (rev. 2015) provides that any non-Illinois resident registered competitor or attendee of a nationally sanctioned competitive shooting event who is not prohibited otherwise from purchasing or obtaining a long gun or long gun ammunition may do so on the grounds of the World Shooting Complex during the event with no waiting period. Trapshooting Hall of Fame Debt Relief Fund

The Trapshooting Hall of Fame and Museum showcases and preserves the history of our great sport. It is the only facility dedicated to this mission, and the artifacts and information within its walls have been a source of interest and pride to shooting sports enthusiasts for over 50 years.

This great facility was constructed entirely with private funding. Construction loans were taken out and many generous donations helped pay off most of the loans, however some balances remain.

The \$1 added to your entry for each event of this tournament will be forwarded to the Trapshooting Hall of Fame and Museum with the understanding that it be used in full to reduce the construction debt.

If you would like to make an additional personal contribution, please contact a staff member. The Trapshooting Hall of Fame and Museum is registered with the IRS as a 501(c)3 not for profit charitable organization.

Make it a point to set aside some time to visit the Museum when at the Shooting Complex. There is much to see and learn about the heritage of our great American sport.
