

## 2024 Spring Youth Shotshell Program

Dear AIM Coaches-

We are excited to announce an exclusive ammo offer to our approved youth teams. We have teamed up with our long-time sponsor Winchester to offer discounted ammo for youth practice and competition. The AIM youth shell program will run from January 1, 2024 – February 15, 2024 (or until sold out).

The requirements to participate in this program are as follows:

- Teams must be registered as AIM teams on the AIM4ATA.com website.
- Teams may only purchase a reasonable number of shells per number of active shooters on their team.
- All shell deliveries must be shipped to a business that must be able to unload the pallets.
- There will be a minimum of 25 cases per order and a maximum of 312 cases (3 pallets) per team.
- The ATA reserves the right to reject any orders that we feel are being misused or not for the benefit of youth trapshooting.

To fulfill the needs of all AIM teams we request you only order for your immediate needs for 2024 based on the number of shooters that you have and the amount of shooting that they do.

If your team or business is exempt from sales tax, you must complete a Tax Exemption Certificate for your State. Otherwise, you must pay the state and local sales tax rate based on the “ship to” address. Be sure that you include the correct zip code on your order form to properly process the tax amount.

Please submit your payment at the time of your order. The ATA will accept check or credit card (Mastercard, Visa, or Discover), please note that you will be charged an additional 3% service fee for credit card transactions.

There is no shipping charge, but you are responsible for additional unloading fees (inside delivery, fork rental, etc.). Make sure that the facility that you will be shipping to can handle the receiving of pallets (freight shipments).

If you have any questions, please contact Liz Lloyd at [lloyd@shootata.com](mailto:lloyd@shootata.com).
