ATA EXECUTIVE DIRECTOR'S WELCOME

It's takes a tremendous amount of hard work, dedication and resources to participate in our sport at the National level. We recognize and appreciate the time and effort that the student athletes, coaches and parents have sacrificed to compete in the AIM program and in the National Youth Championship tournament this year. You are our guests and we appreciate your attendance and support. This tournament will always be a work in progress. There will be changes and revisions each year as we attempt to improve and enhance your experience at the World's greatest shooting complex. Thank you for your support and we look forward to providing you a memorable experience in Sparta.

The AIM Championships for Sporting Clays and Skeet will take place July 25 and 26 to kick off the AIM Grand National Youth Championships. Chief Referee and Event Manager for sporting and skeet will be Royce Graff from the National Shooting Complex (San Antonio TX). He will be assisted by Amber Schwartz, also from the National Shooting Complex. We're honored and proud to have such a skilled and experienced management team on staff for these events.

The format for the remainder of the AIM Championships includes little deviation from in the past. The AIM Games will take place Friday and Saturday, The Browning Doubles Championship and Winchester National Handicap Championship will be on Saturday and the AIM Singles Championship Sunday and Monday. A full schedule of events and activities is included in this program.

As a result of an endowment from the estate of Pat and Penny Ireland, we have awarded AIM scholarships to deserving applicants since 2016. There will be eighteen \$2,500 AIM scholarships this year. Applications are available on the AIM website (www.shoot4aim.com) and are due by July 1 each year. In addition to the AIM Scholarships, there are additional scholarships available to the National Aviation Academy, from ACUI and through the Trapshooting Hall of Fame. This totals nearly \$90,000 in annual youth scholarships provided by the ATA and from these organizations.

Please look over the list of AIM Title sponsors in this program, and be sure to stop by the buildings and booths of those in attendance. Give their products some thought if you are considering a purchase, and at the very least, please thank them for their support. The success of the AIM program depends on the ongoing voluntary support of these companies.

Thank you again for your continued support of the ATA and the AIM Youth Program. Best wishes for a fun and successful tournament.

Lynn Gipson

AIM NATIONAL COORDINATOR'S WELCOME

Welcome to my favorite event of the year, the 2024 AIM Grand Championships!

We are so excited to visit our AIM shooters and their families at the 2024 AIM National Trapshooting Championships. It is our honor to see how these shooters have grown and advanced in their trapshooting career with the ATA. I am amazed by the scores and dedication that I see come through our office all year long.

This year we will have the Sponsor Snapchat Scavenger Hunt, our 7th annual College Market Days, evening events and of course 5 days full of shooting! I hope you enjoy this event as much as we do.

I want to thank our amazing sponsors that help support the AIM program all season long! We couldn't do it without the parents, families, and coaches for their dedication to their shooters and the sport of trapshooting.

Thank You

Liz Lloyd

AIM CHAMPIONSHIP RULES

CATEGORIES

(Based on Renewing Members):

Category	Age
Pre-Sub	Age 11 and Under
Sub-Junior	Age 12-14
Junior	Age 15-17
Junior Gold	Age 18-22

TARGET YEAR: September 1st, 2023– August 31st, 2024

New Members - Age category is based on your age the day you join the ATA.

Renewing Members - Age category is based on your age as of 9-1-2023. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. Example: *A shooter reaching age 18 may elect to continue to shoot as a Junior for the remainder of the current target year.* However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category. ALL mid-year category changes must be submitted to the ATA office within 7 business days of the shooter's birthday by calling 618-449-2224 or emailing aim@shootata.com.

SINGLES

Classes within each category will be used for the AIM Grand Singles Championship. Singles classes for each age category are as follows:

CLASS	PRE-SUB	SUB-JUNIOR	JUNIOR	JUNIOR GOLD
AAA	N/A	92% - 100%	95% - 100%	N/A
AA	N/A	88.5% - 91.99%	92.5% - 94.99%	97% - 100%
A	82% - 100%	84.5% - 88.49%	90% - 92.49%	95% - 96.99%
B	72% - 81.99%	80.5% - 84.49%	87% - 89.99%	93% - 94.99%
C	61% - 71.99%	72.5% - 80.49%	82% - 86.99%	88% - 92.99%
D	Under 61%	Under 72.5%	Under 82%	Under 88%

DOUBLES

Classification will be used at the AIM Grand Individual Doubles Championship. The following classes will be used for all age categories:

Class A 85.5% - 100% **Class B** 78% - 85.49% **Class C** 69% - 77.99% **Class D** Under 69%

AIM GRAND CHAMPIONSHIP PENALTIES

SINGLES: Class B or higher if less than 400 registered Singles targets in the current target year.

DOUBLES: Class B or higher if less than 200 registered Doubles targets in the current target year.

HANDICAP: 21 yards minimum if less than 300 registered Handicap targets in the current target year.

Please Note

- IT IS THE SHOOTER'S RESPONSIBILITY TO VERIFY THEIR INDIVIDUAL CORRECT YARDAGE PRIOR TO SHOOTING, OR THEIR SCORE COULD BE DISQUALIFIED.
- CLASSIFICATION IN BOTH SINGLES & DOUBLES AT THE AIM GRAND CHAMPIONSHIPS WILL BE BASED ON THE TOTAL AVERAGE FOR THE CURRENT TARGET YEAR OR THE LAST 400 TARGETS, WHICHEVER IS HIGHER.

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. If you haven't been classified, or if you need to verify classes, please go to Classification. Up to date average cards can be brought to Classification to review averages and yardages.

FAILURE TO SHOOT FROM THE CORRECT INDIVIDUAL HANDICAP YARDAGE WILL RESULT IN SCORE DISQUALIFICATION.

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes ALL earned yardage from any prior registered tournament even if it was just prior to the AIM Grand Championships, and not yet entered into official ATA records. Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

SQUAD CATEGORY

Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the squad will be competing in the Junior category) Moving up in age group is for Team/Squad purposes only and does not affect a shooter's individual category with AIM.

For Singles, squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule for this discipline. For Skeet and Sporting Clays, four (4) person squads will be considered a team for trophy determination. Shooters will compete in the order they've signed up, unless changes are made by the coach. For these events only, all squad members do not have to compete on the same field, at the same time, to be eligible for team trophies.

SQUAD/TEAM CLASS

Using the individual classification table found on the previous page, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	77%
Sub Junior	B	88%
Junior & Jr Gold	B	94%

AIM ALL-AMERICAN POINTS

Competition factor “7”

ATA All-American points will be awarded this year to Sub-Jr, Junior and Junior Gold ATA categories on the AIM trap events and High-All-Around. AIM Pre-Sub and AIM Sub-Jr shooters will be considered together to determine the ATA Sub-Jr Champion point winner and remaining All American points in that category. Category determination for the AIM Championship must mirror ATA rules (category is determined by birth date rather than beginning of target year category). There is no guaranteed AA competition factor for the AIM Championship, however a factor of “7” is expected to be obtained.
