ATA EXECUTIVE DIRECTOR'S WELCOME

Welcome to the 2025 AIM National Youth Trapshooting Championship! The ATA is indebted to the dedication of time and resources that you, your family and your coach have made to reach the recognized annual pinnacle of youth trapshooting and of the International Governing Body of the sport of American trapshooting – the ATA.

This year's AIM Championship represents the result of many years of development of a program of popular and successful youth shooting competition.

Registered events and non-registered games offer trophies and recognition at many different levels and categories. We experienced growth across the board in all events last year, and don't expect this year to be any different.

Hot Dogs, ice cream and Pizza will return in the evenings again this year for your enjoyment and a chance to relax and socialize with new or old friends.

Please take a few seconds to look over the list of AIM title sponsors in the program and make time in your schedule to thank them for their support. AIM title sponsorship is a tremendous commitment made by these industry members and a huge contribution to the success of the tournament and our AIM program.

Thank you for being part of the reason that this successful youth shooting program and tournament exists. The ATA has established and maintains the standard rules and procedures used for registered and the majority of non-registered trapshooting competition worldwide since 1899. Each time you compete at any ATA registered event, you are leaving an indelible mark in history – your scores become a part of the Official ATA Record and will be perpetually available throughout your shooting career. Thank you for choosing to support the ATA. Please accept our sincere invitation to continue your competitive journey beyond these early years of your trapshooting career by supporting ATA registered events offered at over 1,000 different ATA sanctioned gun clubs worldwide.

Have fun and shoot well

Lynn Gipson

AIM CHAMPIONSHIP RULES

CATEGORIES

(Based on Renewing Members):

Category	Age
Pre-Sub	Age 11 and Under
Sub-Junior	Age 12-14
Junior	Age 15-17
Junior Gold	Age 18-22

TARGET YEAR: September 1st, 2024 – August 31st, 2025

New Members - Age category is based on your age the day you join the ATA.

Renewing Members - Age category is based on your age as of 9-1-2024. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. Example: *A shooter reaching age 18 may elect to continue to shoot as a Junior for the remainder of the current target year.* However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category. ALL mid-year category changes must be submitted to the ATA office within 7 business days of the shooter's birthday by calling 618-449-2224 or emailing aim@shootata.com.

SINGLES

Classes within each category will be used for the AIM Grand Singles Championship. Singles classes for each age category are as follows:

CLASS	PRE-SUB	SUB-JUNIOR	JUNIOR	JUNIOR GOLD
AAA	N/A	92% - 100%	98% - 100%	98% - 100%
AA	N/A	88.5% - 91.99%	96.25% - 97.99%	96.25% - 97.99%
A	82% - 100%	84.5% - 88.49%	94.75% - 96.24%	94.75% - 96.24%
B	72% - 81.99%	80.5% - 84.49%	93% - 94.74%	93% - 94.74%
C	61% - 71.99%	72.5% - 80.49%	90% - 92.99%	90% - 92.99%
D	Under 61%	Under 72.5%	Under 90%	Under 90%

DOUBLES

Classification will be used at the AIM Grand Individual Doubles Championship. The following classes will be used for all age categories:

Class A	90% - 100%	Class B	85% - 89.99%	Class C	78% - 84.99%	Class D	Under 78%
---------	------------	---------	--------------	---------	--------------	---------	-----------

AIM GRAND CHAMPIONSHIP PENALTIES

SINGLES: Class B or higher if less than 400 registered Singles targets in the current target year.

DOUBLES: Class B or higher if less than 200 registered Doubles targets in the current target year.

HANDICAP: 21 yards minimum if less than 300 registered Handicap targets in the current target year.

NEW FOR 2025: Update to AIM Singles & Doubles Classes

Singles class determinations for the Junior Gold and Junior AIM categories will be as per the suggested classification in the ATA rulebook using six classes for each of these two categories. Singles class determination for Pre-Sub and Sub Junior AIM categories is determined by review of the national averages of all ATA members in those age groups and will distribute the number of shooters in each class as evenly as possible. This results in a level playing field. It is a fair, yet competitive system and ensures that these young and often novice shooters are competing against shooters of similar ability and experience.

Doubles classes for all categories will be in accordance with the suggested classification in the ATA rulebook using four classes.

Please Note

- IT IS THE SHOOTER'S RESPONSIBILITY TO VERIFY THEIR INDIVIDUAL CORRECT YARDAGE PRIOR TO SHOOTING, OR THEIR SCORE COULD BE DISQUALIFIED.
- CLASSIFICATION IN BOTH SINGLES & DOUBLES AT THE AIM GRAND CHAMPIONSHIPS WILL BE BASED ON THE TOTAL AVERAGE FOR THE CURRENT TARGET YEAR OR THE LAST 400 TARGETS, WHICHEVER IS HIGHER.

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. If you haven't been classified, or if you need to verify classes, please go to Classification. Up to date average cards can be brought to Classification to review averages and yardages.

FAILURE TO SHOOT FROM THE CORRECT INDIVIDUAL HANDICAP YARDAGE WILL RESULT IN SCORE DISQUALIFICATION.

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament even if it was just prior to the AIM Grand Championships, and not yet entered into official ATA records. Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

AIM CHAMPIONSHIP RULES CONT.

SQUAD CATEGORY

Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the squad will be competing in the Junior category) Moving up in age group is for Team/Squad purposes only and does not affect a shooters individual category with AIM.

For Singles, squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule for this discipline. For Skeet and Sporting Clays, four (4) person squads will be considered a team for trophy determination. Shooters will compete in the order they've signed up, unless changes are made by the coach. For these events only, all squad members do not have to compete on the same field, at the same time, to be eligible for team trophies.

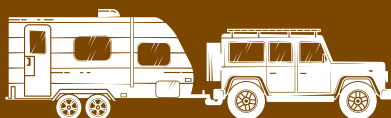

SQUAD/TEAM CLASS

Using the individual classification table found on the previous page, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	77%
Sub Junior	B	88%
Junior & Jr Gold	B	94%

AIM ALL-AMERICAN POINTS

Competition factor “7”

ATA All-American points will be awarded this year to Sub-Jr, Junior and Junior Gold ATA categories on the AIM trap events and High-All-Around. AIM Pre-Sub and AIM Sub-Jr shooters will be considered together to determine the ATA Sub-Jr Champion point winner and remaining All American points in that category. Category determination for the AIM Championship must mirror ATA rules (category is determined by birth date rather than beginning of target year category). There is no guaranteed AA competition factor for the AIM Championship, however a factor of “7” is expected to be obtained.

Once you have submitted the form, changes can be emailed to aim@shootata.com until the deadline of July 17, 2025. Any changes that are not submitted before this deadline must be done at the event center starting Wednesday, July 23, 2025, at 10:00 AM CST. One change per team will be accepted at time of registration. Once your registration process is complete, and payment has been accepted, no changes can be made.

Pre-Registration for Singles, Handicap, & Doubles: Pre-registration for these events will also open on Tuesday, June 3, 2025, at 10:00 AM CST, and close on Thursday, July 17, 2025, at 4:00 PM CST. All pre-registrations must be submitted through the AIM Coaches Area. Individuals not associated with a team, please use shooter's last name for team name. Changes can be made online to your original submission until the deadline of July 17, 2025. Any changes that are not submitted before this deadline must be done at the event center starting Friday, July 25, 2025, at 8:00 AM CST.

Please keep in mind, any changes made at the Event Center could delay your registration process. We strongly recommend that changes be made prior to July 17, 2025. Squadding for these events will be posted on www.aim4ata.com the week of July 21, 2025.
